safepaw.com

Environmentally Safe on Lawns and Shrubs

Will not damage plant life.

Using Safe Chemistry and No Salts

Made with a patented dual-effect formula that breaks the surface tension and instantly melts ice. Overall, this effect speeds up the melting process.

Child and Pet Safe

Safe on eyes, skin, paws, and if ingested. It's all-around safe and 100% salt-free!

Excellent Spread Rate

Allows a typical backyard to be treated to make a safe winter playland for pets and people. Use 1/2 of what you would normally use with salt!

Safe on All Surfaces

It's non-toxic and biodegradable! Safe on metal, concrete*, asphalt, brick, pavers, saw wood & composites, and floors and rugs.

Livestock Safe

Can be used around all animals to create safe areas for barns, paddocks, pens, and anywhere animals live and travel.

Works at Very Low Temperatures

Guaranteed to melt snow and ice at low temperatures (10 °F).

Non-Corrosive and Non-Conductive

No damage to delicate machinery and will not short circuit expensive equipment.

Safe Paw Ice Melter

8 lbs 3 oz Jug

Manufacturer Part No: **41818**

UPC: **095625-418187**

Gross Weight: **9 lbs**

Layers: **N/A**

Units Needed For Next Level:

4 Jugs/Case

Truck Qty (Freight Paid):

4,480

Height: **11"**

Length: **7.5"**
