### Environmentally Safe for Lawns and Shrubs

Guaranteed not to harm plant life.

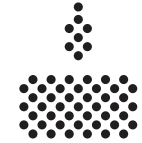

### Utilizing Safe Chemistry, Free from Salts

Our patented dual-effect formula reduces surface tension and melts ice instantly, enhancing the speed of the ice melting process.

### Child and Pet Friendly

Harmless if it comes into contact with eyes, skin, or paws, and non-toxic if ingested. This product is completely safe around your family and pets, containing no salt.

### Excellent Application Rate

Cover your garden or yard with half the amount you would typically use with salt, transforming it into a secure winter playground for both pets and people.

### Safe on All Types of Surfaces

Non-toxic and biodegradable, our ice melt is safe for use on metals, concrete\*, asphalt, bricks, paving stones, wood composites, and indoor surfaces like floors and carpets.

### Safe for Livestock

This product can be safely used in barns, paddocks, pens, and all areas where animals reside and move, ensuring their safety.

### Effective in Extreme Cold

Proven to melt snow and ice even at very low temperatures, effective down to -12 °C (10 °F).

### Non-Corrosive and Non-Conductive

Our formula prevents damage to sensitive machinery and does not cause electrical shorts in expensive equipment.

#### Safe Paw Ice Melter - Jug

Container Size: **3.7 kg / 8 lbs 3 oz**

Manufacturer Part No: **41818**

UPC: **095625-418187**
